More than 200 Google reviews say more about a roofing firm than any advert ever could. For homeowners across Cardiff, from a Victorian terrace in Cathays to a semi in Whitchurch or a detached house in Cyncoed, reading what other customers have experienced is often the first step in finding a roofer they can trust. Redland Roofing Cardiff is an independent, family-run business that has served Cardiff and South East Wales for over 30 years, and our 4.8 star rating from over 200 Google reviews is something we are genuinely proud of. The numbers are worth a closer look. At last count we had 216 Google reviews, and 199 of them were five-star. Our website quotes a 99% satisfaction rate. Those figures have been built up one roof at a time, across emergency leak repairs, slipped tile fixes, flat roof replacements, chimney repairs and full new roofs. They reflect the experience of real customers in neighbourhoods all over the city, and they give anyone weighing up their options a clear picture of what to expect before they pick up the phone. Certain themes come up again and again. Reviewers often mention John by name, saying he came out to assess the roof, explained the problem clearly and showed them photos, and sometimes videos, of the issue along with the before and after stages. Many highlight a quick response, with repairs often carried out the next day, alongside competitive quotes. Others praise polite, tidy teams, well coordinated scaffolding and roofers, work finished on time and a site left clean afterwards. That consistency holds whether the job is in Roath, Llanishen, Pentwyn or Radyr.
