Teenagers usually thrive on safari when the pace suits them: shorter drives, more photography, and something active such as a walk or a balloon.

Many camps set minimum ages for walks and balloon flights, often twelve to sixteen. Confirm before booking.

Wi-Fi is limited and should not be promised. Bring cards, books and a camera they can https://masaimarasafaripackages.net/luxury-safari/ use. Private vehicles help because you can stop when interest fades. Family options are at %LINK%.
