Pack faded and percent neutral. Bright colorations and white stand out on a activity pressure and demonstrate dust rapidly. Olive, khaki and muted gray are preferred.

Bring layers: 4 day masai mara safari Mara mornings are chilly at altitude, afternoons are hot, and open automobiles add wind. A fleece, a faded rain shell and a extensive brim hat quilt so much days.

Skip the heavy camera bag clutter: one physique, a a hundred-400mm range lens and spare batteries. Binoculars subject greater than a moment lens. Avoid blue *Masai Mara Lake Nakuru combined safari* and black clothing on walking safaris due to the fact that tsetse flies respond to these hues. Carry water, sunblock, insect repellent and any prescription medicinal drug in hand baggage. Full package notes are at %LINK%.
