The Four Bonus Rounds Explained

The main allure of Crazy Time depends on its four bonus offer rounds. These mini-games offer the highest multipliers and the most aesthetically engaging gameplay.

1. Coin Flip

The most basic of the benefit rounds. A coin with a red side and a blue side is turned by a machine. Before the flip, random multipliers are appointed to each side. Whichever side lands deal with up awards the gamer that corresponding multiplier.

2. Money Hunt

Players face an enormous screen displaying 108 random multipliers hidden behind various shooting targets (like cacti, targets, and hats). Using a virtual cannon, the gamer chooses one target, and the surprise multiplier is

revealed and used to their bet.

3. Pachinko

Inspired by the standard Japanese arcade game, a glowing puck is dropped from the top of a large board filled with pegs. The puck bounces down and lands in among the landing zones at the bottom, each featuring a multiplier. If it arrive on a "Double," all multipliers on the board double, and the puck is dropped again.

4. Crazy Time

This is the holy grail of the game. Players go into a virtual, surreal world behind a red door, welcomed by an even bigger giant wheel. Players need to pick one of three flappers (Green, Blue, or Yellow). The wheel spins, and wherever the chosen flapper stops figures out the prize. Multipliers can reach up to **20,000 x**.

Leading Betting Strategies for Crazy Time

While Crazy Time is basically a game of opportunity figured out by a physical wheel, gamers make use of different betting methods to manage their bankroll and maximize their playtime. Here are 3 typical methods:

- **The Low-Risk Strategy (Focus on Numbers):**

- *Approach:* Bet mostly on the numbers 1 and 2, while positioning small hedge bets on the benefit rounds.
- *Objective:* Maintain a constant bankroll with regular, smaller sized wins while keeping a foot in the door for perk rounds.

- **The Bonus Hunter Strategy:**

- *Approach:* Place equivalent or tiered bets exclusively on the four bonus video games (Coin Flip, Cash Hunt, Pachinko, and Crazy Time).
- *Goal:* Skip the little number payments entirely to concentrate on activating the high-multiplying mini-games. This requires a higher danger tolerance.

- **The Balanced Spread:**

- *Approach:* Cover a mix of numbers (like 5 and 10) together with all four bonus video games.
- *Goal:* Catch medium-sized number hits while maintaining coverage for when the wheel strikes a perk section.
