- Bring names and telephone numbers of everyone connected with the case.
- Bring all papers related to the case.

3. Ask About Experience and Case Handling

Ask about similar cases the lawyer has handled. [civil claims services Northeast LA](#) Find out if the lawyer will handle your case personally; if another member of the law firm may handle part of it, ask to speak with that lawyer too.

4. Question Guarantees and Clarify Fees

Be wary of any lawyer who guarantees results. Ask the lawyer to explain the strengths and weaknesses of your case, the expected timeline, the steps involved, and fees and billing. If you do not understand an answer, request a simpler explanation.

5. Use Referrals Carefully

A referral can start your search, but still compare candidates yourself. Ask whether the lawyer is in good standing and whether the lawyer carries professional liability insurance.
