- **Set a Budget:** Decide just how much money you want to invest before you start playing, and never go beyond that limit.
- **Never Chase Losses:** If you experience a losing streak, resist the urge to increase your stake sizes to win the cash back quickly. This is the fastest method to diminish your account.
- **Accept Volatility:** The airplane can crash at 1.00 x consecutively. Never assume a high multiplier is "due" even if the last couple of rounds resulted in low multipliers. Each round is completely independent.
