FAQ About Dumpster Rental

How long can I keep a dumpster rental in Miami?

Typically, you can keep a dumpster rental in Miami for about 7 to 14 days. However, rental periods can vary based on the company, and extensions may be available for an additional fee.

What size dumpster do I need for a home renovation?

For home renovations, a 10 to 20-yard dumpster is usually sufficient. The size you choose should depend on the volume of debris generated, such as drywall, flooring, or furniture.

Do I need a permit for dumpster rental in Miami?

A permit may be required for dumpster rentals in Miami, especially if the dumpster will be placed on a public street or sidewalk. It's best to check with the local municipality for specific regulations.

What can I put in a dumpster rental in Miami?

You can typically put construction debris, furniture, yard waste, and general trash in a dumpster rental. However, hazardous materials, electronics, and certain appliances are usually prohibited.

How to Choose the Right Size Dumpster

Choosing the right size dumpster is crucial for making the most of your waste removal experience. With options ranging from small 10-yard dumpsters to large 40-yard containers, Neighborly Dumpster Rental can help you select the perfect size based on your project. If you're undergoing a small home cleanout, a smaller dumpster may suffice. Conversely, for substantial renovations or construction jobs, a larger size is likely necessary. Feel free to reach out to our team of professionals, who can guide you through the process of selecting the right dumpster.
