The Magic of the Top Slot

Above the primary money wheel sits the **Top Slot**, a small two-reel slot machine that spins at the same time with the wheel.

1. **Reel 1** screens one of the wagering choices (a number or a reward video game).
2. **Reel 2** displays a random multiplier (ranging from 2x as much as 50x).

If the horizontal line in the Top Slot aligns a bet with a multiplier, that multiplier applies to that particular result for the upcoming spin. If the main wheel lands on that outcome, bitz.io any wins for that round are increased by the multiplier. If a reward round is set off with a Top Slot multiplier attached, the starting multipliers inside the perk video game are quickly increased by that figure.

Diving Into the Four Bonus Rounds

The true heart of Crazy Time lies in its four benefit video games. Triggering one of these rounds transfers gamers from the main studio into a special enhanced truth mini-game.

1. Coin Flip

The simplest of the bonus offer rounds. A coin with a red side and a blue side is turned by a mechanical arm.

- Before the flip, random multipliers are assigned to both the red and blue sides.
- Whichever side lands deal with up wins the multiplier for the taking part players.
- If the multipliers are low, a "Rescue Flip" can often be set off, providing players another possibility at greater rewards.

2. Money Hunt

This bonus offer video game features an enormous screen displaying 108 random multipliers concealed behind shooting gallery symbols (like a cactus, a target, or a duck).

- Players use an on-screen crosshair to aim and shoot at one sign before the timer runs out.
- When time expires, all signs expose their covert multipliers, and the player gets the multiplier behind their picked target. Every player gets to pick their own area, indicating different gamers can win various amounts.

3. Pachinko

Inspired by the conventional Japanese arcade video game, Pachinko features a glowing, vertical board filled with physical pegs.

- The host drops a puck from the top of the board.
- The puck bounces randomly down through the pegs up until it lands in among the multiplier zones at the bottom.
- If the puck arrive at a **"Double"** worth, all multipliers at the bottom of the board double, and the puck is dropped once again, leading to possibly enormous payouts.

4. Crazy Time

The supreme reward round takes gamers behind a red door into a surreal, whimsical virtual world featuring an enormous, 64-segment wheel.

- Players should pick one of three flappers: **Green, Blue, or Yellow**.
- The host spins the huge wheel.
- Whichever sector the picked flapper points to when the wheel stops is the prize awarded.
- The wheel consists of **"Double"** and **"Triple"** sections. If a flapper arrive on among these, all multipliers on the wheel double or triple, and the wheel is spun again. This is where the video game's famous 20,000 x max multiplier can be attained.

Techniques and Tips for Playing Crazy Time

While Crazy Time is basically a video game of opportunity determined by a random number generator (RNG) and physical physics, gamers often employ certain strategies to manage their bankroll and customize their experience.

Popular Playing Approaches

- **The Low-Risk Strategy (Grinding Numbers):**
  - Focus greatly on betting on **1** and **2**.
  - These numbers occupy the bulk of the wheel, indicating they hit often.
  - This technique won't yield overnight fortunes, however it extends playtime and keeps the bankroll fairly stable.
- **The Bonus Hunter Strategy:**

  - Place little bets solely on the 4 benefit rounds (**Cash Hunt, Pachinko, Coin Flip, Crazy Time**).
  - Due to the fact that bonus offer rounds appear on only 9 out of the 54 sectors, this method needs patience and a resilient bankroll, as dry spells can occur. Nevertheless, it places the gamer to catch the greatest payouts when the bonuses hit.
- **The Balanced Approach:**
  - Cover a mix of numbers and perk rounds. For instance, putting little bets on numbers to preserve your balance while betting on specific perk video games to keep the excitement alive.

Finest Practices for Bankroll Management

- **Set a Budget:** Decide how much you want to invest before you begin playing, and never ever chase losses.
- **Comprehend the RTP:** Keep in mind that number bets normally use a higher RTP than reward bets, but bonus offer bets use significantly higher volatility and optimum win potential.
- **Delight in the Entertainment:** Crazy Time is a live home entertainment program firstly. Treat any wagers as the cost of admission for an interactive show.
