- **The Martingale System:**A high-risk technique where players double their bet after every loss, intending to recover previous losses with a single win. *Keep in mind: This needs a considerable bankroll and can quickly deplete funds if a long losing streak happens.*

Tips for Responsible Gaming

Because rounds occur so quickly, it is very simple to misplace money and time. Keep these best practices in mind:

- **Set a Budget:** Decide ahead of time just how much money you are prepared to spend and stick strictly to that limit. Never go after losses.

- **Use Auto Cash Out:** Emotional decision-making often results in crashed bets. Setting a fixed cash-out point gets rid of the temptation to hang on for "simply one 2nd longer."
