FAQ About Dumpster Rental Service

How long can you keep a rented dumpster?

Typically, you can keep a rented dumpster for a period of 7 to 14 days, depending on the rental company. Some companies may offer extended rental periods for an additional fee, so it's wise to confirm specifics with the provider.

What items can I put in a dumpster?

You can generally put construction debris, household junk, and yard waste in a dumpster. However, hazardous materials, electronics, and appliances are usually not allowed. Always check with your rental company for a complete list of prohibited items.

Do I need a permit for dumpster rental in Thornton?

In Thornton, a permit may be required if you plan to place the dumpster on a public street or sidewalk. It's best to check with the local municipality to ensure compliance with local regulations before renting.

How do I choose the right size dumpster?

To choose the right size dumpster, consider the scope of your project. For small cleanouts, a 10-yard dumpster suffices, while larger renovations may require 20 to 30 yards. Assess the volume of waste you'll generate to select appropriately.

Types of Dumpsters We Offer

At Junkaroo Dumpsters Rentals, we understand that different projects require particular waste management solutions. That's why we offer a variety of dumpster sizes to accommodate everything from small home cleanouts

to large-scale construction jobs. Our 10-yard dumpsters are perfect for minor projects like garage cleanouts, while our larger containers are ideal for extensive renovations or commercial [suburban dumpster rentals near Thornton](#) jobs. No matter the size, each dumpster is designed for easy loading and efficient disposal of your waste.
