FAQ About Dumpster Rental

What sizes of dumpsters are available for rental in Colorado Springs?

In Colorado Springs, dumpster rental companies usually offer a variety of sizes ranging from 10 to 40 cubic yards. Common sizes include 10, 20, 30, and 40 yards, suitable for different types of projects, from home cleanouts to construction.

How long can I keep a rented dumpster in Colorado Springs?

Typically, you can rent a dumpster in Colorado Springs for a period ranging from 3 to 14 days, depending on the rental company's policies. Some companies may offer extended rental periods for an additional fee.

What items are prohibited in a dumpster rental in Colorado Springs?

Commonly prohibited items in dumpster rentals in Colorado Springs include hazardous waste, electronics, tires, batteries, and chemicals. It's important to check with your rental provider for a complete list of restricted items.

Can I rent a dumpster for a small home renovation project in Colorado Springs?

Yes, you can definitely rent a dumpster for a small home renovation project in Colorado Springs. Smaller-sized dumpsters, such as 10 or 20 yards, are ideal for handling debris from projects like bathroom remodels or landscaping.

Choosing the Right Size Dumpster

One of the most important decisions in utilizing a dumpster in Colorado Springs is choosing the right size. Depending on the scope of your project, you will want to consider various sizes to ensure you have enough space for your materials. Bastion Dumpster Rental offers a range of dumpsters, from mini 10-yard containers for small

jobs to larger 30-yard options for extensive renovations or construction sites. Our team can help guide you in selecting the dumpster that suits your needs best, so you only pay for what you need.

The Benefits of Local Dumpster Rental Services

Choosing a local provider for your dumpster rental in Colorado Springs has numerous advantages. By opting for Bastion Dumpster Rental, you not only get competitive pricing but also boost your local economy. Local providers know the specific regulations and disposal guidelines unique to Colorado Springs, which can save you from potential issues. Additionally, our familiarity with the area means we can offer speedy service and easy delivery and pick-up that fits within your project timeline.
