What is Big Bass Crash?

At its core, Big Bass Crash is a multiplayer social betting game. Unlike basic slots where players spin reels and wait on sign combinations, crash video games run on an increasing multiplier curve.

In Big Bass Crash, the action focuses on a humble angler heading out onto the water in his boat. As the round begins, the multiplier begins at **1.00 x** and climbs greater and higher. The goal is easy: **squander before the boat crashes.**

If a gamer cashes out in time, they win their stake increased by the existing worth. If the boat crashes before they squander, the bet is lost.
