

Wisdom tooth pain is [emergency dentist near me](#) a common reason patients contact Whites Dental Marble Arch for an emergency appointment, particularly when a tooth is impacted or partially erupted. Symptoms can include swelling, pain at the back of the jaw, and difficulty opening the mouth fully, all of which warrant prompt dental assessment. The practice's dentists examine the affected wisdom tooth to determine whether extraction is necessary or whether the issue can be managed with other treatment.

Whites Dental Marble Arch (W2) | 52B Kendal St, St George's Fields, London W2 2BP | 020 3576 2325

Left untreated, wisdom tooth pain can worsen and sometimes lead to infection in the surrounding gum tissue, making early assessment important. For wisdom tooth pain emergencies in London, call Whites Dental Marble Arch on 020 3576 2325 or visit 52B Kendal St, St George's Fields.
